

## SLBM BY-LAW PROPOSALS

- The Sportsmanship award to be renamed “The Jerry Needham Sportsmanship Award”
- Eliminate ALL associate members unless a UNANIMOUS vote by the club. Current Associate Members can be grandfathered in
- Increase the Non Boater fee to \$40 (1 day) \$60 (2 day)
- Must have 75% of Active members (Quorum) present in order to vote on anything pertaining to the club with 2/3 needed to pass/fail any matter needing a club vote. Active member: Person that pays monthly dues

EXAMPLE: If there are 20 active members, we would need 17 present at the meeting in order to be able to vote.

- Implement a Rolling Monthly Big Fish Pot (Completely separate from the ramp pot).

Will require an additional \$5 per month (total monthly fee would be \$30)

In order to win the pot, an angler would need to catch a 4lb Spotted Bass or 5lb Largemouth Bass during a tournament (1 or 2 day). In the event multiple fish being caught that meet the criteria the BIGGEST would win the pot.

EXAMPLE: We have 20 members participate each month (\$100 per month) if no one wins the pot in Jan it rolls over to the next month...and so on. If a member catches a fish within the limits in Mar they would get \$300 and the pot starts over in April. If the pot goes without anyone winning it for a full year then that money would roll over into the next year or used for other club functions.
